

Habitat Improvement Day - Tire Dump Removal at SGL#211, Fort Hunter

Start Date: 5/17/2026 9:00 AM

End Date: 5/17/2026 1:00 PM

Date: May 17, 9am - 1pm

Location: State Game Lands #211, 40°21'04.8"N 76°54'49.4"W Fort Hunter Pennsylvania 17110

Please join the Pennsylvania Chapter of Backcountry Hunters & Anglers and the Pennsylvania Game Commission on Saturday May 17th at State Game Lands #211 in Schuylkill County, PA for a volunteer event to cleanup a large tire dumping site that is littering trailsides and negatively impacting flora and fauna native habitat. We will have a PA Game Commission habitat specialist on site to articulate what we are doing and why it is so critical to plant and animal species in the area. Lunch will be provided. Please bring appropriate PPE to remove lots of dirty, heavy, and wet tires (gloves + weather appropriate clothing).

RSVP below so we know you're coming and be sure to invite some friends!
