Clear your calendars and call your crew—because the 4th Annual NC Backcountry Hunters & Anglers Banquet is officially locked in. We’re gathering on August 8th at Gizmo Brew Works in Durham, and you’re invited to celebrate another year of boots-on-the-ground conservation and public land protection.

Come swap stories, raise a glass, and connect with folks who care about wild places just like you do. There’ll be plenty of food, cold beer, great conversation, and that one-of-a-kind BHA camaraderie that always brings the good times.

Raffle and auction gear? Oh yeah—we’re stacking the table with more top-notch prizes than ever before, and the only way to win is to be there.

More details are coming soon, but for now, get it on the calendar. We can’t wait to see you in Durham this summer!

When: August 9th 4:00PM to 9:00PM
