

NY Chapter Annual Rendezvous, Honeoye, NY

Start Date: 7/31/2026 5:00 PM

End Date: 8/1/2026 12:00 PM

Save the Date – NY Chapter Rendezvous

Join us July 31–August 2 for the New York Chapter’s Annual Rendezvous at the Finger Lakes Community College Muller Field Station in Honeoye, NY. This weekend gathering celebrates our shared passion for wild public lands, wild waters and the community that helps protect them.

Expect the classic Backcountry Hunters & Anglers mix of camaraderie, education, and great food. Whether you’re looking to sharpen your skills, learn something new, or simply spend a summer weekend swapping stories around the fire with fellow public land hunters and anglers, NY Rendezvous is the place to do it.

We’re excited to welcome Dr. Krysten Schuler of Cornell University’s Wildlife Health Lab as our keynote speaker, bringing valuable insight into wildlife health and conservation here in New York.

Throughout the weekend, attendees can take part in activities including:

Skills Workshops

Fly Casting Instruction

3D Archery

Woods Walk

DIY Taxidermy

And of course, plenty of BHA tradition:

Raffles & Prizes

Bonfire stories with your BHA family

Wild game morsels
