

AFI Washington O'Connell's Nerves of Steel Archery Shoot - Belfair, WA

Start Date: 5/30/2026 8:30 AM

End Date: 5/30/2026 4:00 PM

Join the Washington Backcountry Hunters & Anglers Armed Forces Initiative (AFI) for the O'Connell's Nerves of Steel Archery Shoot, a day on the range bringing together archers, hunters, veterans, and the conservation community. Hosted in partnership with O'Connell's Archery, this event supports AFI's mission of connecting the military community to conservation, public lands, waters, and wildlife.

Participants will enjoy a friendly archery shoot and a great opportunity to connect with fellow outdoorsmen and women who share a passion for hunting, shooting sports, and stewardship. Throughout the day there will also be raffles and a silent auction featuring donated gear and outdoor prizes, with potential items including premium archery equipment and other hunting gear.

Whether you're a seasoned archer or just looking to spend time with a great community supporting a good cause, we hope you'll join us for a great day on the range.
