

Trash for Tackle Public Waters Clean Up, Durham, NC

Start Date: 7/25/2026 9:00 AM

End Date: 7/25/2026 8:30 PM

Come join the NC chapter of BHA for a day of fun, cooking, and cleaning up our public waters!

Here's how it works: You come out to Falls Lake for a fun day hanging out on the beach or cruising on the water. While you're out on your boat, kayak, paddle board, or just wandering around the beach/hiking on the trails, pick up any trash you see. We can even provide you with the bags! Bring your trash back to the NC BHA table at Picnic Shelter 12 (Rolling View Area), and in exchange we'll give you a free lure!

We'll be at Picnic Shelter 12 from 9:00 AM to 8:30 PM. We'll also be doing a cookout for lunch and dinner, so stop by to hang out, get some great food, and talk all things public lands and public waters. This event is open to everyone, so bring your friends and family! Be sure to RSVP, so we can make sure we have enough food for you.

For anyone going out on the water, be sure to bring all of the necessary safety gear and your own personal flotation device. All participants must follow all rules of the Rolling View State Recreation Area. Hope to see you there!
