The second event of the North Idaho Public Land Pop-Up series will be cleaning up a shooting area on State Land near the Highland Flats Road north of Naples. Come join us after work or summer camp for a fun evening! Meet on site, clean up some trash, cook some hot dogs, have a beverage, and chat with friends.

Expect to do an hour or two of work such as picking up trash or pulling weeds, then socialize around a campfire with friends. Each participant will get a punch card: How many punches can you get for public land? Punches get you entered into the raffle drawing at the end of the series.

The whole family is welcome to attend, including well mannered 4 legged friends. Please wear sturdy shoes and bring work gloves, we'll provide the trash bags. Come prepared for the weather, bugs, sun, and fun! Camp chairs are handy for hanging out with friends after the work is done.
