Stewardship Sunday-Rally for the Rio Grande del Norte

Sunday July 26, 8:00 am

Midtown Market, Arroyo Hondo, NM

Free

In conjunction with the Rally for the Rio Grande del Norte we will be offering stewardship work on Sunday July 26. Led by BHA Habitat Stewardship Coordinator Elden Aguilar, we will be removing old fencing from the Horsethief Mesa portion of the Rio Grande del Norte National Monument. This area is no longer grazed and is mostly used for recreation. The existing fences pose a threat to deer, elk, and pronghorn by bisecting their corridors and risk of entanglement.

We will meet at 8:00 am Sunday July 26 at the Midtown Market and Lounge in Arroyo Hondo 680 NM-522, 87513
