

# BHAxFHF Mountain Shooting Challenge FULL

**Start Date: 6/6/2026 8:00 AM**

**End Date: 6/7/2026 5:00 PM**

**Timezone: PDT**

Thanks for everyone that signed up. We have a full event!

Join the Washington Chapter of Backcountry Hunters & Anglers with our First Hunt Foundation partners to test and build your backcountry/mountain shooting skills! This shooting challenge is fun way to join a supportive group of hunters looking to practice their ethical shots in a real mountain hunting setting. Any skill level is welcomed!

**ONLY CURRENT BHA MEMBERS WILL BE ALLOWED TO ATTEND.** If you are not currently a BHA member or need to renew your membership, please go here:  
<https://www.backcountryhunters.org/get-involved/join-bha>

Please bring the gear you would hunt with for a realistic experience. The course will be laid out over 2.5 miles. Be prepared to hike on an old road for a total of about 5 miles for the day. Participants will need to bring 40 rounds of ammunition and eye/ear protection.

There will be multiple stations where each participant will face a unique hunting scenario. Shooting ranges will vary from 200-600 yards and will incorporate different shooting positions. For those involved in the Exo Mountain Gear Experience Challenge, this challenge will follow the protocols of shooting challenge.

There will be an opportunity to camp out Friday, the night before the event. We will also encourage participants to join us for a cookout and camping Saturday night. The general schedule is:

Friday (optional) 6 pm-9 pm: Camp out.

Saturday 8 am: Event/Safety Orientation 9am to 5pm: Rotate through shooting scenarios 6pm - 9pm: Cookout and camp out

Location and further details will be shared with participants. RSVP ASAP or by May 15th.
