

# Big Gumbo Fence Removal and Modification- Marmarth, ND

**Start Date: 6/20/2026 8:00 AM**

**End Date: 6/21/2026 3:00 PM**

**Timezone: MDT**

Join the North Dakota Chapter of Backcountry Hunters & Anglers for a Fence Removal Project on June 20th and 21st - 19 miles South of Marmarth, ND.

This is a continuation of a project that BHA ND started in previous years. The Big Gumbo Fence Removal project benefits pronghorn, mule deer, sage grouse, and other critters that call this area home. This area is a wintering ground for a large number of ND's pronghorn population as well as being the largest contiguous BLM property in ND. We plan to start at 8am, June 20 & 21.

Dispersed camping is an option for those wanting to stay on location.

What to bring:

Water

Food

Gloves

Sunscreen

Good pair of boots. Terrain is mild.

Work Site Coordinates: 46.0542328, -103.9742661
