When :

May 23, 2026

9:00 AM - 3:00 PM

Join us on one of the largest ranches in Arizona that provides public access for hunting and recreating. We'll be removing old barbed wire fence to improve habitat for deer, elk, pronghorn and other critters. This is part of the Arizona Game and Fish "Adopt a Ranch" program. Come prepared with water, sturdy clothes and boots, we'll provide lunch and drinks and AZGFD will have gloves for those who need them.
