

Conservation Conversations: Wildlife and Recreation in the Greater Yellowstone

Start Date: 5/14/2026 12:00 AM

End Date: 5/14/2026 11:59 PM

Timezone: MDT

Join the Greater Yellowstone Coalition for an evening with author Hillary Rosner exploring the intersection of recreation, land development, and wildlife in Teton Valley and the Greater Yellowstone Ecosystem. Drawing from her book *Roam*, Rosner will discuss how habitat fragmentation impacts wildlife migration and the solutions helping reconnect landscapes and build climate resilience. A panel with regional experts will follow. Don Carpenter from Backcountry Hunters & Anglers will kick off the conversation by sharing his stories of exploration and adventure in Greater Yellowstone.

THURSDAY, MAY 14 @ 6-8 P.M.
