

Kawishiwi Stewardship Campout & BWCA Mine Site Visit- Superior National

Start Date: 6/12/2026 6:00 PM

End Date: 6/14/2026 10:00 AM

Timezone: CDT

Join the Minnesota Chapter of Backcountry Hunters & Anglers for a Stewardship and Campout Weekend in the Superior National Forest June 12-14th!

We will be setting up camp Friday, June 12th at a Forest Service campground. Starting Saturday morning, we will caravan to the work site and be clearing and maintaining a Hunter Walker Trail near the St. Louis River in need of maintenance due to recent fires, funding cuts, and personnel shortages. These trails are non-motorized trails dedicated for foot-only traffic and managed primarily for hunting, so BHA is just the org for the job!

We will work Saturday for roughly 6 hours, then head back to camp, where we will facilitate a visit to one of the proposed copper-nickel mine sites that currently threaten the Boundary Waters Canoe Area and look at the effects of modern forestry practices on game populations and habitat.

What to Bring:

Camping Gear
Work Appropriate clothing
Work Gloves
Water Bottle

BHA Stewardship Events are free to attend and open to the public, so invite your friends and family to join and give back to our public lands. Please RSVP and sign the Safety Waiver to confirm attendance.
