Join the South Dakota Chapter of BHA as we partner with Lost Cabin Brewing Co. and local conservation partners for the TROUTnotTRASH Creek Cleanup in Rapid City on May 16th .

This full day event is dedicated to the waters that make it all possible, followed by a late night descent into the heavy and the loud.

?? The Main Event TROUTnotTRASH Release: Brewed in collaboration with the Black Hills Flyfishers, this is a French Style Pilsner dedicated to the preservation of Rapid Creek. Grab a pint and help us keep our local waters pristine.

?? ?? The Side Shows The day starts with boots in the mud and ends with fuzz-drenched riffs.

?? 9:00 AM: Pancakes under the Big Top. Fuel up on us before we hit the creek.

?? 10:00 AM: Creek Cleanup. We are heading out to pull some junk. We have a prize for the "Most Random Item" found, so bring your finds (or, maybe just a picture) back to the taproom.

?? 11:30 AM: Enviro-Midway Opens. We have a collection of local organizations on site that promote the conservation and preservation of the beautiful Black Hills. Buy them a beer and get involved!

?? 1:00 PM: Savour Pinoy opens up for the afternoon crowd.

?? 8:00 PM: Lost Cabin After Dark. Our series of music that trends louder, later, and stranger returns for the anniversary. -Year of October (Nashville): Bringing dirty riffs and dark grooves all the way from Tennessee in a minivan to melt your face. -False Surrender & Continuum: Bringing the local H E A V Y. -The Vibe: Free, 21+, and exactly as loud as you hope it is. ????
