Join us Thursday, December 3rdat Georgetown Brewing in Seattle for the 2026 BHA Westside Bash!

Come raise a glass with fellow public-land hunters, anglers, conservationists, and outdoor enthusiasts as we celebrate another year of protecting the wild places and waters we all love. The Westside Bash is a chance to connect with the BHA community, hear about the conservation work happening across Washington and the West, and enjoy a great night with good people and good beer. Expect an evening of cold beer, great conversation, conservation stories, prizes, and plenty of outdoor camaraderie — all while supporting Backcountry Hunters & Anglers and our work to keep public lands and waters wild and accessible for everyone. Whether you're a longtime BHA member or just getting involved, we'd love to have you there.
