## Chapter News! SHOT The 3D Experience

BY BROCK STUBER

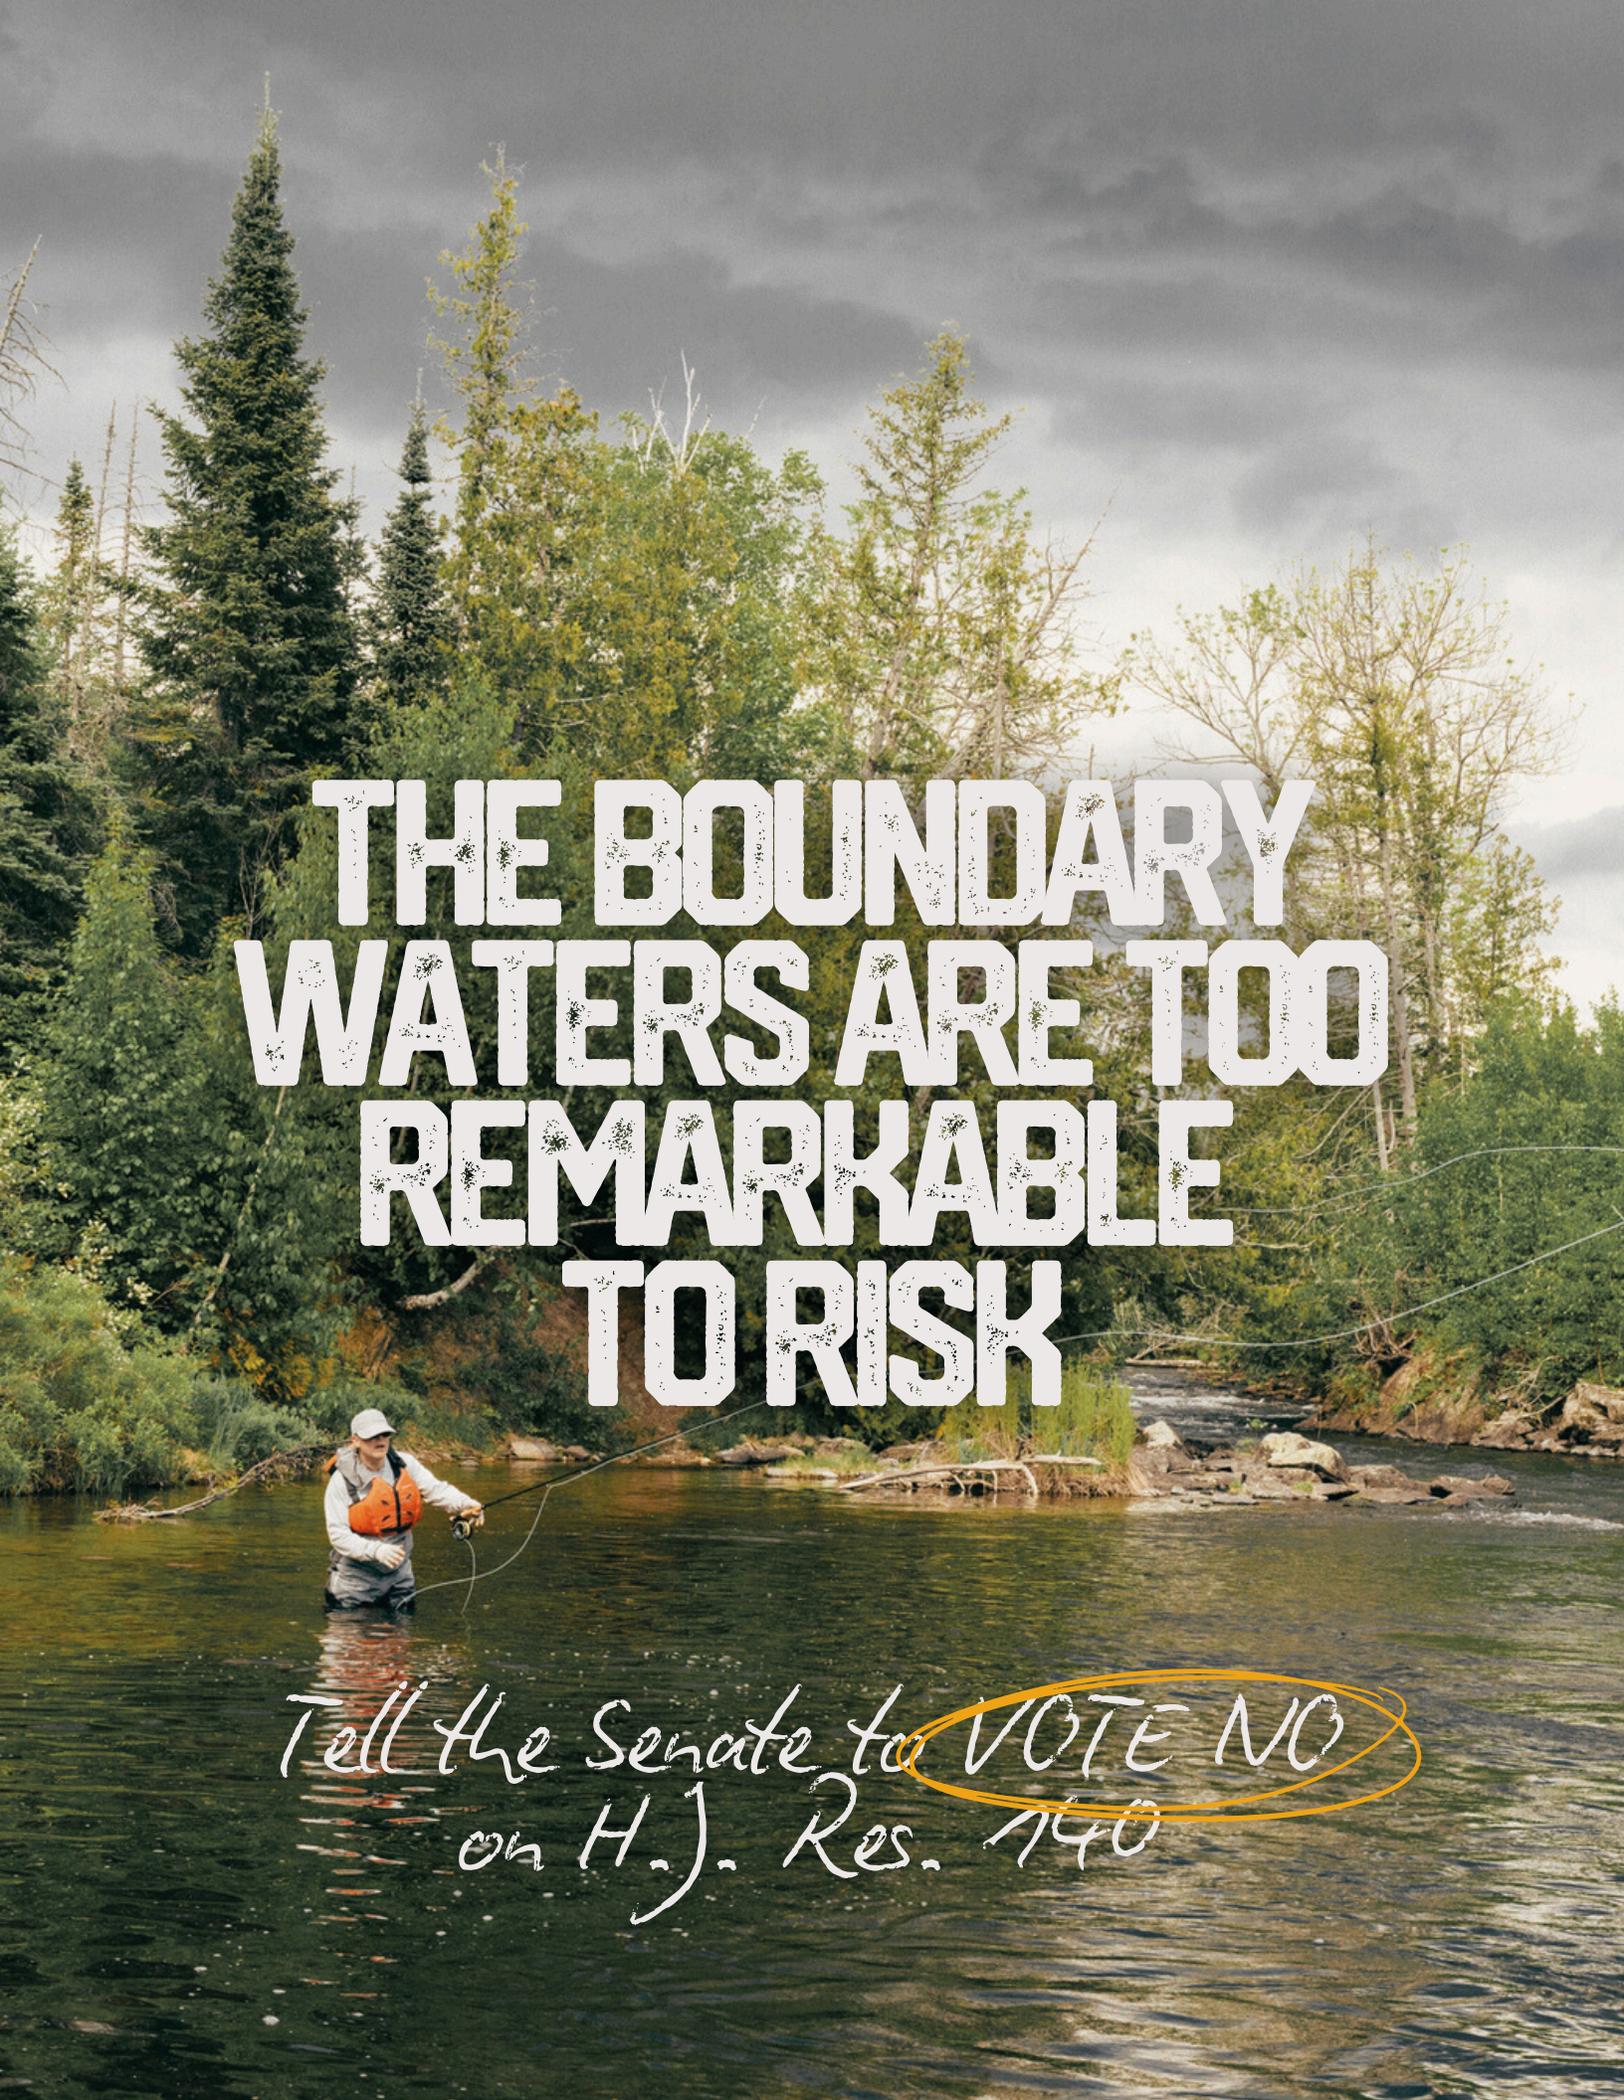

The Oklahoma Chapter of Backcountry Hunter's and Anglers is proud to introduce our newest chapter sponsor; SHOT The 3D Experience. Whether you're a seasoned bowhunter, newbie just getting started or just someone with a love and passion for archery, you need to check out SHOT.

Their mission is simple: to provide the shooter, regardless of skill level, the best 3D experience and atmosphere possible. We formed "SHOT" to represent Shooting, Hunting, Outdoors and Tradition.

The chapter board is excited for this partnership and cannot wait to see what comes of it. We're thrilled with SHOT 3D joining the fight for our public lands and we thank them for their support for BHA. Be on the lookout for more from SHOT The 3D Experience and the Oklahoma Chapter of Backcountry Hunters and Anglers!

# The Most Wonderful Time of Year

By Brock Stuber

Hunting season has come and gone. The long wait for the next season has begun. For me, the bulk of this time of year is doing gear maintenance, scouting and prepping for next season and of course staying up to date on what our legislators are working on. I believe we are now in a time where the modern outdoorsman must also be savvy as to what is going on at the Capitol. If you aren't, you might find yourself shocked to new changes announced. Like the old saying goes, "ignorance is not an excuse." Yes, legislation can be boring but it is important to stay updated on. Luckily for you, the board for the Oklahoma Chapter has you covered! Several bills in both the House and Senate have been announced. The chapter board is keeping a close eye on proposed legislation. Follow our social media accounts to stay engaged and see legislative updates as the session continues. Hunter's in the know, keep up with legislature!
